Committees

Beautification: In addition to the beautification of our Town Gardens, this committee would be involved in plantings such as the Town Library, Habitat for Humanity homes, Garden Awards for homeowners and businesses.

Conservation: Help promote and support the protection of native trees, plants, birds, pollinators, and natural resources. Volunteer in local conservation efforts; promote programs & plan trips related to conservation; write conservation articles for Sproutings.

Horticulture: Assist the Horticulture Chairperson to come up with and put on workshops and displays for the Horticulture table.

Hospitality: Helps with the monthly desserts for our meetings and offers to help with any preparations for our social events. There is a sign-up sheet at year-end for members willing to make a dessert for our regular meetings and published in our handbook.

Membership: Assists Membership Co-Chairs in monthly distribution and collection of name tags at the Welcome table at each general meeting and welcomes new members to our Club; Assists Co-Chairs of Membership host a New Member gathering.

Photographer: Assist when needed, our Club's Photographer to take photos at special events, field trips, workshops, programs, new members, etc.

Program: Assists our First Vice Presidents with ideas for programs & speakers for the following year and is willing to contact potential speakers. Programs include field trips, workshops & education.

Publicity: Assist Publicity Co-chairs in advertising and/or putting up flyers/signs for events the Club has planned. Assist in social media photos. Help get the word out when needed for field trips, workshops, etc.

Scholarship & Business Grant: Committee members will help review educational scholarship applications for a Chatham or Harwich resident and review Cape-wide applicants for business grant. Amount of awards are determined by the Board annually.

Town Gardens: Help to maintain our ten town gardens and provide support to the Garden Leader when needed. Learning from and sharing with in the education to fellow members while working in the gardens. Best opportunity to get to know fellow members.

Ways and Means: Responsible for raising funds to support our Club throughout the year and determining the Fundraisers for the year.
